

TEMPLATE WHOLESALE SERVICES AGREEMENT

PREPAYMENT VERSION

This is the template wholesale services agreement (WSA) for the provision of wholesale services by Scottish Water to a licensed provider who intends to prepay its wholesale charges and is not required to use an escrow account. The WSA is the contract under which Scottish Water agrees to provide those services for which the licensed provider pays wholesale charges.

It is important to note that the terms of each WSA will be a matter for negotiation between Scottish Water and the relevant licensed provider. However, the Commission has published this template WSA to be the basis of such negotiations.

More information on the WSA is available in the market entry guidance for licensed providers and potential licensed providers, which is published on the Commission's website: www.watercommission.co.uk.

7. CHARGES

7.1 Wholesale Charges Scheme

Subject to the provisions of this Clause 7 and section 29E of the 2002 Act, the Charges shall be determined in accordance with the Wholesale Charges Scheme and the Licensee shall pay such Charges in relation to each Supply Point for which they are Registered.

7.2 Non-tariff agreements

In any case where paragraph 2(5) of Schedule 3 to the 2005 Act for the time being applies in respect of a relevant agreement (within the meaning of that Schedule), the Charges shall be determined by SW but shall not exceed the amount determined by the Commission under paragraph 2(2)(b) of that Schedule.

7.3 Application for Departure from Wholesale Charges Scheme

- 7.3.1 If the Licensee believes that, as a consequence of action taken, or proposed to be taken, by a Customer, a departure from the Wholesale Charges Scheme is justified pursuant to section 29E of the 2002 Act in relation to this Agreement, the Licensee may request SW in writing to apply to the Commission for its consent to depart from the Wholesale Charges Scheme pursuant to the said section.
- 7.3.2 If SW receives a request pursuant to Clause 7.3.1, it shall, subject to Clause 7.3.3 below, comply with the request and apply to the Commission.
- 7.3.3 SW must apply to the Commission on the request of the Licensee unless:
- (a) it is satisfied, acting reasonably, that the Licensee's request is unfounded and that any application to the Commission for consent would have no reasonable prospect of success; or
 - (b) the Licensee fails, without reasonable excuse, to provide information required by SW under Clause 7.3.6.
- 7.3.4 If SW refuses under Clause 7.3.3 to apply to the Commission, it must intimate that fact forthwith to the Licensee and the Commission (together with its reasons for the refusal) and the Licensee may raise the refusal by SW as a Dispute. For the purposes of this Clause 7.3.4, the Expert determination provisions under Clause 25.4.1.1 shall be amended to the effect that an Expert shall not be appointed by the Commission, but by the President for the time being of the Law Society of Scotland.

- 7.3.5 Where, following a request under Clause 7.3.1, SW applies to the Commission for its consent to depart from the Wholesale Charges Scheme, it may make such representations to the Commission regarding the application as it thinks fit, including representations to the effect that consent should be withheld.
- 7.3.6 If the Licensee makes a request under Clause 7.3.1, it must provide SW with such information as it reasonably requires for the purpose of considering the request and (unless the request is refused under Clause 7.3.3) applying to the Commission. The Parties shall make all reasonable efforts to ensure that all information which SW may require for the foregoing purpose has been requested and provided within 20 Business Days of the date of the Licensee's request under Clause 7.3.1. The Licensee shall also discuss its request with SW if SW so requests.
- 7.3.7 Any application to the Commission under Clause 7.3.2, or any decision to refuse to apply, must (unless otherwise agreed between the Parties) be made no later than 30 Business Days after receipt of the request from the Licensee (or no later than 10 Business Days after receipt by SW of all information required under Clause 7.3.6, if later). The application may be made on the basis that further information will be provided to the Commission following the making of the application.
- 7.3.8 SW shall furnish the Licensee with a copy of any application under Clause 7.3.2 and any representations under Clause 7.3.5 at the same time as it makes such application or representations (as the case may be).
- 7.3.9 Where a departure from the Wholesale Charges Scheme is consented to by the Commission under section 29E of the 2002 Act, SW and the Licensee shall, from the date set out in the consent granted by the Commission, apply the revised charge to the relevant Services provided under this Agreement and comply with any conditions set out in the consented departure.
- 7.3.10 In accordance with Clause 7.3.9, the Licensee shall pay such revised charges in relation to each Supply Point to which the departure relates.

8. TERMS OF PAYMENT

8.1 Provisional Monthly Charge

For each Month during the Supply Period ("Month X"), an amount (the "Provisional Monthly Charge") shall be established in accordance with the following provisions:

- 8.1.1 the Provisional Monthly Charge shall be an amount payable by the Licensee as set out in the Settlement Report sent by the Central Market Agency to SW and the Licensee, in respect of the provision of Services during Month X;
- 8.1.2 SW shall invoice the Licensee for the amount of the Provisional Monthly Charge not later than 14 Business Days prior to the start of Month X.

Nothing in this Agreement will prevent the Supply Period commencing on any Business Day during a Month.

8.2 **Payment of Provisional Monthly Charge**

The Provisional Monthly Charge in respect of Month X shall be paid by the Licensee by the tenth Business Day prior to the start of Month X.

8.3 **Reconciliation**

- 8.3.1 When any further Settlement Report is sent to SW and the Licensee by the Central Market Agency after carrying out any Settlement Run in respect of Month X, SW shall render to the Licensee a statement showing a reconciliation between:
- (a) the Provisional Monthly Charge or any previous Reconciled Primary Charge paid in respect of Month X (the "Provisional Amount"); and
 - (b) the Central Market Agency's calculation of the Reconciled Primary Charges in respect of Month X as set out in the Settlement Report.
- 8.3.2 The reconciliation amount shown in the statement referred to in Clause 8.3.1, together with interest thereon calculated in accordance with Clause 8.3.3 below shall, if the Provisional Amount is less than the Reconciled Primary Charges, be paid by the Licensee and, if the Provisional Amount is greater than the Reconciled Primary Charges, be paid by SW, in each case in accordance with Clause 8.5.
- 8.3.3 The reconciliation amount payable by the Licensee or SW in terms of Clause 8.3.2 in respect of Month X shall bear interest at the base lending rate from time to time of the Bank of Scotland, such interest to be calculated from the date of payment of the Provisional Monthly Charge for Month X in terms of Clause 8.2 above up to and including the due date for payment of the reconciliation amount in terms of Clause 8.5 below calculated on a daily basis.

8.4 **Payment of other sums**

If any Charge (not being a Primary Charge or a Provisional Monthly Charge) is due to SW, or any payment is due to the Licensee under this Agreement, the Party entitled to payment shall submit an invoice to the Party liable to make payment for the total amount properly payable, and provide such documentation as is necessary to verify the same. Where such payment is due by the Licensee, the invoice submitted by SW shall be separate from any statement rendered pursuant to Clause 8.3.1.

8.5 **Method of Payment**

Payment of any amount due under this Agreement and shown as payable in an invoice or statement pursuant to this Clause 8 shall be made:

- 8.5.1 in the case of the Provisional Monthly Charge, in accordance with Clause 8.2, and in any other case not later than ten Business Days from receipt of the invoice or statement; and
- 8.5.2 by a Clearing House Automatic Payments System transfer of funds to such bank in the United Kingdom as may from time to time be notified by SW to the Licensee (in the case of an amount payable by the Licensee) or by the Licensee to SW (in the case of an amount payable by SW).

8.6 **No deduction or withholding**

- 8.6.1 All payments by a Party under this Agreement shall be made without any deduction, withholding or set-off (except to the extent permitted by Clause 8.6.2, Clause 14.2 or required by Law).
- 8.6.2 If any item or part of an item in an invoice or statement rendered by a Party under this Clause 8 is disputed or subject to question, payment of the remainder of the invoice or statement shall not be withheld on those grounds, and the provisions of Clause 8.8.1 shall apply to the disputed or questioned item to the extent that it shall subsequently be agreed or determined to have been properly payable. Where a Party wishes to dispute or question an item or part of an item in an invoice or statement, it may only do so in good faith and on grounds which are not vexatious or frivolous.
- 8.6.3 Any dispute or question properly raised under Clause 8.6.2 shall not be considered a breach of this Agreement.

8.7 Value Added Tax

- 8.7.1 All sums payable under this Agreement are exclusive of any applicable Value Added Tax ("VAT", which includes any tax in substitution therefor), and accordingly all VAT from time to time properly payable in respect of such sums shall be payable in addition to those sums at the rate from time to time in force against delivery of a valid VAT invoice.
- 8.7.2 The Licensee shall promptly provide SW with all information reasonably necessary to determine the appropriate amount of VAT (if any) payable on Charges (in particular to determine whether the provision of any Service is a zero rated supply under the applicable legislation relating to VAT).

8.8 Interest

- 8.8.1 If any sum payable under this Agreement is not paid at the expiry of the period for payment specified in Clause 8.2 or 8.5.1 (as the case may be) (save as contemplated by clause 8.6.2), then the Party who has failed to make payment shall pay interest on the amount outstanding (both before and after judgment or decree) at the rate of 4% per annum over the published base lending rate from time to time of Bank of Scotland, such interest to be calculated from (but excluding) the date of expiry of such period until payment thereof, calculated on a daily basis and compounded annually.
- 8.8.2 Subject to the approval of the Scottish Ministers (if required) under the 2002 Act, SW shall pay interest to the Licensee on the Provisional Monthly Charge at the published base lending rate from time to time of Bank of Scotland. For the purpose of calculating such interest, the Provisional Monthly Charge during Month X shall be treated as due in equal daily instalments as Services are provided during Month X to which the Provisional Monthly Charge relates. From the date when the Provisional Monthly Charge is due, interest shall be calculated on the full amount due. Thereafter interest will be calculated on the reducing balance where the balance reduction reflects the payment of the daily instalment on each day. By way of a non-binding illustrative example:

Say the Provisional Monthly charge due is £30,000 and is paid on the tenth Business Day prior to the Month X (which has 30 days) the interest will be calculated by SW on the entire £30,000 until the first day of Month X. Thereafter the £30,000 is divided into 30 equal amounts of £1,000 and interest is due on the principal which reduces in the same equal amounts over the duration of the Month. The result being that on day 2 of the Month interest is due on £29,000 and a on day 29 interest is due on £1,000.

8.9 Expiry of Claims

Each Party shall cease to be entitled to any additional payment or refund in respect of the Provisional Monthly Charge or Reconciled Primary Charges relating to any Month on the expiry of twenty-four Months from the end of the Month in respect of the Month first mentioned, except insofar as such additional payment or refund:

- 8.9.1 Where properly due, has not been paid within that twenty-four Month period;
- 8.9.2 has been the subject of a referral for resolution in accordance with Clause 25 (Dispute Resolution); or
- 8.9.3 arises as a result of alterations to data or factual items required to calculate such Provisional Monthly Charge or Reconciled Primary Charges, provided that this subparagraph 8.9.3 shall not exclude an additional payment or refund arising as a result of incorrect reading of a meter or incorrect meter registration to which section 54(3) of the Water (Scotland) Act 1980 applies.

Notwithstanding termination of this Agreement, this Agreement shall remain in force for the purpose of enforcing this Clause 8.9.

8.10 Supplementary

SW shall report to the Commission and the Central Market Agency any failure by the Licensee to pay any sum due under this Agreement (other than a sum disputed in accordance with Clause 8.6.2) either by:

- 8.10.1 the Due Date (as defined in paragraph 1 of schedule 3 to this Agreement); or
- 8.10.2 the end of the relevant period of notice as specified in paragraphs 1(a) and 1(b) of schedule 3 of this Agreement,

in both cases within two Business Days of SW becoming aware of such failure.

9. INSURANCE

Each Party shall, at all times during the Supply Period, effect and maintain with insurers authorised and regulated by the Financial Services Authority under the Financial Services and Markets Act 2000 public liability insurance of not less than £5,000,000 for any one incident and unlimited as to the number of incidents, and shall, upon request, produce to the other Party documentary evidence that the above insurance is and remains in place. Either Party may propose an amendment to this figure. If such a proposal is made by one of the Parties

and agreement cannot be reached on the revised figure, it will not be treated as a Dispute in accordance with Clause 25 (Dispute Resolution).

10. COMPLIANCE WITH LAWS

10.1 Statutory Obligations

10.1.1 Each Party undertakes that, in the performance of its obligations and exercise of its discretions under this Agreement, it will comply with:

(i) the Codes and all other Laws applicable to it; and

(ii) all applicable Consents, including, in the case of the Licensee, the Licences held by it.

10.1.2 The Licensee shall be obliged to inform its Customers that they are responsible for compliance with the Water Byelaws.

10.2 Sewerage Legislation

10.2.1 The agreement of SW to provide Sewerage Services under this Agreement does not authorise the passing or discharge of any matter or substance (including Trade Effluent) into the Public Sewerage System in respect of a Supply Point in contravention of any enactment (including any byelaws or orders), authorisation, consent or agreement, including (in the case of Trade Effluent) any consent granted, or agreement entered into, pursuant to Part II of the Sewerage (Scotland) Act 1968.

10.2.2 The Licensee shall report to SW as soon as practicable any evidence coming to its attention of a contravention referred to in Clause 10.2.1.

11. SAVING FOR STATUTORY RIGHTS ETC

Without prejudice to Clause 1.4, nothing in this Agreement shall affect the application of any enactment (including byelaws or orders) for the time being in force relating to the provision of public water or sewerage services in Scotland, and nothing in this Agreement shall prejudice or affect the rights, remedies, powers, liabilities, functions, duties or obligations of either Party under such provisions.

12. INFORMATION REGARDING PUBLIC HEALTH

If SW supplies the Licensee with information regarding public health matters for onwards transmission to Customers, the Licensee shall communicate such information to Customers,

and SW shall not be liable for any delay or error in communication on the part of the Licensee. If the Licensee receives information regarding public health matters from any Customer, and the Licensee knows, or ought reasonably to know, that such information is relevant, to a material extent, to the provision of the Services or the exercise of the Core Functions by SW, the Licensee shall communicate such information to SW forthwith.

- 13.1.2 the act or omission of any agent or contractor of a Party shall not be Force Majeure unless such act or omission is caused by or results from events and/or circumstances which would be Force Majeure within the meaning of this Clause 13.1 if such person were the affected Party.

13.3 Notice

Following any occurrence of Force Majeure the affected Party shall:

13.3.1 as soon as reasonably practicable notify the other Party of the occurrence and nature of the Force Majeure, the expected duration thereof (insofar as the same can reasonably be assessed) and the obligations of the affected Party the performance of which is affected thereby; and

The provisions of Clauses 8.6.2 and 8.6.3 shall apply to such payments.

14.2.2 The liability of SW to the Licensee for any failure to comply with a Service Standard shall be limited to payment of the sum referred to in Clause 14.2.1.

15. LIABILITY

15.1 Limitations and Exclusions

15.1.1 Neither Party shall be liable to the other Party, as a result of breach of this Agreement, in respect of loss of revenue, loss of profit, loss of contract, business interruption, or any consequential or indirect loss of any nature whatsoever, howsoever caused, even if it was reasonably foreseeable, and irrespective of whether it is caused by the first-mentioned Party's negligence.

15.1.2 Neither Party shall be liable to the other Party in respect of any loss or damage resulting from breach of this Agreement (including, in the case of SW, lack of, or

deficiency in the quality of, water) except in the case of negligence or wilful misconduct by the first-mentioned Party or any person for whose acts it is in turn responsible.

- 15.2.4 Each Party acknowledges and agrees that the other Party holds the benefit of Clause 15.1 for itself and as trustee and agent for its officers, employees and agents.

16. **TEMPORARY INTERRUPTIONS OF SUPPLY**

16.1 **Planned Events**

- 16.1.1 SW shall notify the Licensee, in accordance with the Operational Code, of any anticipated reduction in the supply of water in respect of a Supply Point as a consequence of SW's maintenance, repair, replacement and inspection programmes for the Public Water Supply System.

- 16.1.2 The notification shall, so far as reasonably practicable, include an estimate by SW of the quantities of water, if any, which SW expects to be able to supply during the period when the maintenance, repair, replacement or inspection works are planned.

16.1.3 SW shall use all reasonable endeavours to minimise interruptions in the supply of water for a Supply Point as a consequence of planned maintenance, repair, replacement and inspection works.

16.2 **Unplanned Events**

16.2.1 The supply of water to a Supply Point may be interrupted or suspended, where SW's ability to provide the supply is affected by:

- (b) shortage of, or limitation on the use of, water arising from weather or environmental conditions;

16.2.2 In the case of any interruption or suspension of water supplies under Clause 16.2.1, SW shall notify the Licensee of the expected duration of the interruption or suspension, and the steps being taken by SW in accordance with the Operational Code to restore the supplies.

For the purposes of this Clause 16.3.3, a change in anticipated demand is significant if the Licensee knows, or

ought reasonably to know, that the change may put at risk SW's ability to supply sufficient water to meet the demand in the area in which the Supply Point is located.

The Disputing Parties shall endeavour within five (5) Business Days of such notice to agree upon the selection of an Expert and may meet for this purpose. In the event of failure to reach such agreement, the Expert shall be appointed by the Commission on the application of any Disputing Party.

25.4.1.2 On selection of a suitable Expert under Clause 25.4.1.1, the Disputing Party which instigated the referral shall forthwith provide the Expert with an "Expert Notification".

25.4.4.2 The Disputing Parties shall share equally the fees and expenses of the Expert unless the Expert directs that they should be borne by the Disputing Parties in some other proportion. In the event that the Expert determines that one of the Disputing Parties ("Party A") is liable to pay a sum to another of the parties of the Disputing Parties ("Party B"), including, but not limited to, fees and expenses, Party A will, subject to whatever the Expert's determination may state, pay to Party B an amount equal to such sum together with interest thereon from such date as the Expert's determination may specify. Such interest will accrue from day to day at the rate of 4% over the published base-lending rate from time to time of the Bank of Scotland.

**SCHEDULE 4
THE SERVICE STANDARDS**

[Subject to discussion between SW and Licensee]

1. Complaints from Customers

If the Licensee passes to SW a complaint by a Customer regarding the provision of the Services by SW, SW will respond to the complaint within five Business Days after receipt. If SW fails to send a written response within that period in cases where it received a written complaint, or a complaint by telephone in which the Licensee asked for a written response, SW will pay the Licensee £20. If the complaint is passed to SW after 14.00 on any day, it will be treated for the purposes of calculating the period of five Business Days as received on the next day.

2. Keeping appointments with Customers

If SW arranges, through the Licensee, an appointment to meet with a Customer, it will offer a morning or afternoon appointment or a two-hour time-band. Provided the appointment is arranged more than 24 hours in advance, SW will pay £20 to the Licensee if it fails to turn up on the scheduled morning or afternoon or within the agreed two-hour time band, unless it gave at least 12 hours notice to the Licensee cancelling or changing the appointment.

3. Planned Interruptions to Water Supply

SW will give the Licensee notice of any planned interruption (including notifying the time when the supply is planned to be restored) to water supplies to Customers in accordance with the Operational Code. If SW fails to give said notice, or fails to restore the supply by the notified time, it will pay the Licensee £50 per affected Supply Point. If the supply is turned off, SW will pay the Licensee £25 per affected Supply Point for each 12-hour period without water after the notified time for restoration of supply.

4. Unplanned Interruptions to Water Supply

If the water supply to Supply Points is disrupted because of a fault or breakdown in plant, equipment, apparatus or pipes forming part of the "Public Water Supply System", SW will restore the supply within 12 hours from the time SW finds out about the interruption, unless the burst affects a strategic main (that is to say, a main with a diameter equal to or greater than 300mm), in which case the supply will be restored within 48 hours from the time SW finds out. If SW fails to do this, it will pay the Licensee £50 per affected Supply Point. If the supply remains interrupted beyond the applicable 12-hour or 48-hour time period, SW will pay £25 per affected Supply Point for each additional 12-hour period without water.

5. **Water getting into gas system**

SW will return any telephone call from the Licensee to its emergency helpline regarding water entering the gas system of a Customer with a Supply Point within two hours of the initial contact being received from the Licensee, to provide practical advice and explain what happens next. If it fails to do this, it will pay £20 to the Licensee.

6. **Flooding from sewers**

If waste water from SW's sewers floods the inside of a Customer's premises occupied by a Customer, SW will refund to the Licensee the annual waste water charges payable to SW in relation to the relevant Supply Point (up to maximum of £1,000 per flooding incident), provided the flooding is not due to general surface flooding of the area, a defect in the Customer's private drains or the Customer's own actions. SW will clear up as quickly as possible any mess within the affected Customer's premises which is directly caused by the overflow of waste water from SW's sewer.

7. **Meter Installation Applications**

If the Licensee requests SW to fit a meter, SW will carry out a survey to establish if a meter can be fitted and what costs, if any, are involved, and will then report the outcome to the Licensee. SW will do this within eight Business Days of receiving the request, and if it fails to do so, it will pay the Licensee £20.

8. **Water Pressure**

SW will supply water to Supply Points under this Agreement at a minimum pressure of 1bar. If the Licensee suspects that the water supply is below this pressure, it must contact SW who will investigate the complaint and report the findings to the Licensee within three Business Days. If SW fails to do this, SW will pay £20 to the Licensee. If, following the investigation, SW determines:

- that the water supply to the Supply Points is less than 1bar of pressure measured on the Customer's side of the boundary stopcock/stop valve; and
- that the low pressure is caused by SW's supply system,

SW will pay the Licensee £20.

Payments made under this Service Standard will be restricted to one per affected Supply Point within any 6-Month period.

The Licensee will not be entitled to claim against this Service Standard where the Supply Point concerned is:

- above the level of water leaving SW's storage tank; or
- between the level of water leaving SW's storage tank and a level of 10.5 metres below the tank.

9. **Response in Emergencies**

An "Emergency" has the same meaning here as in the Operational Code. The Service Standards during an Emergency are:

- SW will announce information updates at least every 48 hours;
- SW will provide alternative drinking water supplies to sensitive premises (hospitals, nursing homes etc) in accordance with the water emergency plans;
- SW will give as much advance notice as possible of any necessary restrictions on supplies to a Supply Point for Eligible Premises.

If SW fails to meet any of these standards, and any of the Licensee's Customers are directly affected by the Emergency, the Licensee will be entitled to claim at least 5% of the annual water or wastewater charge attributable to those Customer's affected Supply Points (subject to a maximum of £5,000 per Customer) and can claim up to 15% of the said annual water or wastewater charges if it can show that the loss suffered by its Customer had a value greater than 5% of the said annual water or wastewater charges (subject to a maximum of £5,000 per Customer).
