6. Special Requirements:

In making this applications Scottish Water will by default create a pair of SPIDs with all drainage services attached. You do have an option to change this default position by ticking one of the boxes below.

I require:

- a Waste SPID only because an existing Water connection (and SPID) is already in place, this should become a SPID pair

Please provide existing SPID

- a Waste SPID only because our customer is using another LP for their Water SPID
- a Waste SPID only because the customer will only use Waste (water) services
- Other (please explain below)

Please outline special needs requirements as appropriate:
