Dear Chris

**Standard Licence Condition B4 (financial resilience)**

On 27 August, the Commission issued Directions to modify your wholesale services agreement with Scottish Water in the absence of consent to standard licence condition B4 or B5 coming into effect in your licences.

On 2 September, you have confirmed your commitment to the new voluntary standard licence condition on financial resilience B4.

On this basis, the directions issued on 27 August would not apply to Blue Business Water Limited.

Please find enclosed a copy of the new standard licence condition.

Yours sincerely,

Alan D A Sutherland  
Chief Executive Officer
