Table B8.2S – Wastewater service – properties and populations

Block A Unmeasured Domestic Properties

1	Total number of billed properties	Nr
Full line title	Total number of billed properties	
Definition	Number of billed unmeasured domestic properties, as at September of the reporting year. This row excludes voids.	
Processing rules	Calculated field: Sum of lines 2 to 9.	
Reference	AR A3.1	

2	Number of Band "A" properties	Nr
Full line title	Number of Band "A" properties	
Definition	Number of billed unmeasured domestic properties in band A, as at September of the reporting year. This row excludes voids.	
Processing rules	Input field	
Reference	AR A3.2	

3	Number of Band "B" properties	Nr
Full line title	Number of Band "B" properties	
Definition	Number of billed unmeasured domestic properties in band B, as at September of the reporting year. This row excludes voids.	
Processing rules	Input field	
Reference	AR A3.3	

4	Number of Band "C" properties	Nr
Full line title	Number of Band "C" properties	
Definition	Number of billed unmeasured domestic properties in band C, as at September of the reporting year. This row excludes voids.	
Processing rules	Input field	
Reference	AR A3.4	

5	Number of Band "D" properties	Nr
Full line title	Number of Band "D" properties	
Definition	Number of billed unmeasured domestic properties in band D, as at September of the reporting year. This row excludes voids.	
Processing rules	Input field	
Reference	AR A3.5	

6	Number of Band "E" properties	Nr
Full line title	Number of Band "E" properties	
Definition	Number of billed unmeasured domestic properties in band E, as at September of the reporting year. This row excludes voids.	
Processing rules	Input field	
Reference	AR A3.6	

7	Number of Band "F" properties	Nr
Full line title	Number of Band "F" properties	
Definition	Number of billed unmeasured domestic properties in band F, as at September of the reporting year. This row excludes voids.	
Processing rules	Input field	
Reference	AR A3.7	

8	Number of Band "G" properties	Nr
Full line title	Number of Band "G" properties	
Definition	Number of billed unmeasured domestic properties in band G, as at September of the reporting year. This row excludes voids.	
Processing rules	Input field	
Reference	AR A3.8	

9	Number of Band "H" properties	Nr
Full line title	Number of Band "H" properties	
Definition	Number of billed unmeasured domestic properties in band H, as at September of the reporting year. This row excludes voids.	
Processing rules	Input field	
Reference	AR A3.9	

10	Number of Band "D" equivalent properties	Nr
Full line title	Number of Band "D" equivalent properties	
Definition	Number of billed unmeasured domestic properties who are band "D" or equivalent. This row excludes voids.	
Processing rules	Input field	
Reference	AR A3.10	

11	Number of surface water only properties	Nr
Full line title	Number of surface water only properties	
Definition	Number of billed unmeasured domestic properties as at September of the reporting year, with surface water drainage only.	
Processing rules	Input field	
Reference	AR A3.11	

12	Number of properties with no surface water drainage	Nr
Full line title	Number of properties with no surface water drainage	
Definition	Number of billed unmeasured domestic properties, as at September of the reporting year, with no surface water drainage.	
Processing rules	Input field	
Reference	AR A3.12	

13	Number of properties with roads drainage, but no property drainage	Nr
Full line title	Number of properties with roads drainage, but no property drainage	
Definition	Number of billed unmeasured domestic properties, as at September of the reporting year, with roads drainage, but no property drainage.	
Processing rules	Input field	
Reference	AR A3.12a	

14	Number of exempt properties	Nr
Full line title	Number of exempt properties	
Definition	Number of unmeasured domestic properties as at September of the reporting year connected to the distribution system but which have not received a bill as they are exempt from charges. This row excludes voids.	
Processing rules	Input field	
Reference	AR A3.12b	

15	Number of void properties	Nr
Full line title	Number of void properties	
Definition	Number of unmeasured domestic properties, as at September of the reporting year, which are connected to the sewerage system but have not received a bill as they are unoccupied.	
Processing rules	Input field	
Reference	AR A3.13	

Block B Measured Domestic Properties

17	Total number of billed properties	Nr
Full line title	Total number of billed properties	
Definition	Number of billed metered domestic properties as at September of the reporting year. This row excludes voids.	
Processing rules	Input field	
Reference	AR A3.14	

18	Number of surface water only properties	Nr
Full line title	Number of surface water only properties	
Definition	Number of billed measured domestic properties with surface water drainage only as at September of the reporting year.	
Processing rules	Input field	
Reference	AR A3.15	

19	Number of properties with no surface water drainage	Nr
Full line title	Number of properties with no surface water drainage	
Definition	Number of billed measured domestic properties with no surface water drainage as at September of the reporting year.	
Processing rules	Input field	
Reference	AR A3.16	

20	Number of void properties	Nr
Full line title	Number of void properties	
Definition	Number of metered domestic properties connected to the distribution system but which have not received a bill as they are unoccupied.	
Processing rules	Input field	
Reference	AR A3.17	

Block C Measured non-Domestic Properties

22	Number of billed properties with use > 250MI/yr at standard tariff	Nr
Full line title	Number of billed properties with use > 250MI/yr at standard tariff	
Definition	Number of billed metered non-domestic properties as at September of the reporting year, charged at standard tariff rates with volume collected >250MI/year. This row excludes voids.	
Processing rules	Input field	
Reference	AR A3.18	

23	Number of billed properties with use 100 to 250 MI/yr at standard tariff	Nr
Full line title	Number of billed properties with use 100 to 250 MI/yr at standard tariff	
Definition	Number of billed metered non-domestic properties as at September of the reporting year, charged at standard tariff rates and with volume collected between 100 to 250MI/year. This row excludes voids.	
Processing rules	Input field	
Reference	AR A3.19	

24	Number of billed properties with use <100 MI/yr at standard tariff	Nr
Full line title	Number of billed properties with use <100 MI/yr at standard tariff	
Definition	Number of billed metered non-domestic properties as at September of the reporting year, charged at standard tariff rates and with volume collected <100MI/year. This row excludes voids.	
Processing rules	Input field	
Reference	AR A3.20	

25	Number of billed properties with use > 250MI/yr at non-standard tariff	Nr
Full line title	Number of billed properties with use > 250MI/yr at non-standard tariff	
Definition	Number of billed metered non-domestic properties with volumes collected greater than 250MI/year as at September of the reporting year, charged on a tariff that is not part of the approved Scheme of Charges. This row excludes voids.	
Processing rules	Input field	
Reference	AR A3.21	

26	Number of billed properties with use 100 to 250 MI/yr at non-standard tariff	Nr
Full line title	Number of billed properties with use 100 to 250 MI/yr at non-standard tariff	
Definition	Number of billed metered non-domestic properties with volumes collected of between 100 and 250MI/year as at September of the reporting year, charged on a tariff that is not part of the approved Scheme of Charges. This row excludes voids.	
Processing rules	Input field	
Reference	AR A3.22	

27	Number of billed properties with use <100 MI/yr at non-standard tariff	Nr
Full line title	Number of billed properties with use <100 MI/yr at non-standard tariff	
Definition	Number of billed metered non-domestic properties with volumes collected of less than 100MI/year as at September of the reporting year, charged on a tariff that is not part of the approved Scheme of Charges. This row excludes voids.	
Processing rules	Input field	
Reference	AR A3.23	

28	Number of billed properties with relief of charges	Nr
Full line title	Number of billed properties with relief of charges	
Definition	Number of billed metered non-domestic properties charges as at September of the reporting year, with relief of charges. This row excludes voids.	
Processing rules	Input field	
Reference	AR A3.24	

29	Number of billed properties with no charges	Nr
Full line title	Number of billed properties with no charges	
Definition	Number of billed metered non-domestic properties as at September of the reporting year, where a service has been provided but no charge has been made. This row excludes voids.	
Processing rules	Input field	
Reference	AR A3.25	

30	Total number of billed properties	Nr
Full line title	Total number of billed properties	
Definition	Number of billed measured non-domestic properties as at September of the reporting year. This row excludes voids.	
Processing rules	Calculated field: The sum of lines 22 to 29	
Reference	AR A3.26	

31	Number of billed properties with trade effluent agreements	Nr
Full line title	Number of billed properties with trade effluent agreements	
Definition	Number of billed metered non-domestic properties as at September of the reporting year, with trade effluent agreements.	
Processing rules	Input field	
Reference	AR A3.27	

32	Number of billed properties with surface water only	Nr
Full line title	Number of billed properties with surface water only	
Definition	Number of billed measured non-domestic properties as at September of the reporting year, with surface water drainage only.	
Processing rules	Input field	
Reference	AR A3.28	

33	Number of billed properties with no surface water drainage	Nr
Full line title	Number of billed properties with no surface water drainage	
Definition	Number of billed measured non-domestic properties as at September of the reporting year, with no surface water drainage.	
Processing rules	Input field	
Reference	AR A3.29	

34	Number of billed properties with roads drainage but no property drainage	Nr
Full line title	Number of billed properties with roads drainage but no property drainage	
Definition	Number of billed measured non-domestic properties as at September of the reporting year, with no property drainage, but with roads drainage	
Processing rules	Input field	
Reference	AR A3.29a	

35	Number of void properties	Nr
Full line title	Number of void properties	
Definition	Number of metered non-domestic properties, within the supply area, which are connected to the sewerage system as at September of the reporting year but have not received a charge as they are unoccupied.	
Processing rules	Input field	
Reference	AR A3.30	

Block D Measured non-Domestic Meter Sizes: Tariff meters

37	Combination meters	Nr
Full line title	Combination meters	
Definition	Number of billed unmeasured non-domestic properties being charged for combination metered disposal pipe, as at September of the reporting year	
Processing rules	Input field	
Reference	New	

38	Electro-mechanical meters	Nr
Full line title	Electro-mechanical meters	
Definition	Number of billed unmeasured non-domestic properties being charged for an electro-mechanically metered disposal pipe, as at September of the reporting year.	
Processing rules	Input field	
Reference	AR A3.53a	

39	15mm or smaller	Nr
Full line title	15mm or smaller	
Definition	Number of billed unmeasured non-domestic properties being charged for a disposal pipe on the basis of a metered supply of 15mm or smaller, as at September of the reporting year.	
Processing rules	Input field	
Reference	AR A3.54	

40	20mm	Nr
Full line title	20mm	
Definition	Number of billed unmeasured non-domestic properties being charged for a disposal pipe on the basis of a metered supply of 20mm, as at September of the reporting year.	
Processing rules	Input field	
Reference	AR A3.55	

41	25mm	Nr
Full line title	25mm	
Definition	Number of billed unmeasured non-domestic properties being charged for a disposal pipe of 25mm, as at September of the reporting year.	
Processing rules	Input field	
Reference	AR A3.56	

42	40mm	Nr
Full line title	40mm	
Definition	Number of billed unmeasured non-domestic properties being charged for a disposal pipe of 40mm, as at September of the reporting year.	
Processing rules	Input field	
Reference	AR A3.57	

43	50mm	Nr
Full line title	50mm	
Definition	Number of billed unmeasured non-domestic properties being charged for a disposal pipe of 50mm, as at September of the reporting year.	
Processing rules	Input field	
Reference	AR A3.58	

44	80mm	Nr
Full line title	80mm	
Definition	Number of billed unmeasured non-domestic properties being charged for a disposal pipe of 80mm, as at September of the reporting year.	
Processing rules	Input field	
Reference	AR A3.59	

45	100mm	Nr
Full line title	100mm	
Definition	Number of billed unmeasured non-domestic properties being charged for a disposal pipe of 100mm, as at September of the reporting year.	
Processing rules	Input field	
Reference	AR A3.60	

46	150mm	Nr
Full line title	150mm	
Definition	Number of billed unmeasured non-domestic properties being charged for a disposal pipe of 150mm, as at September of the reporting year. This should include only those meters that result in a bill being raised for the 150mm metered supply.	
Processing rules	Input field	
Reference	AR A3.61	

47	200mm	Nr
Full line title	200mm	
Definition	Number of billed unmeasured non-domestic properties being charged for a disposal pipe of 200mm, as at September of the reporting year. This should include only those meters that result in a bill being raised for the 200mm metered supply.	
Processing rules	Input field	
Reference	AR A3.62	

48	250mm	Nr
Full line title	250mm	
Definition	Number of billed unmeasured non-domestic properties being charged for a disposal pipe of 250mm, as at September of the reporting year. This should include only those meters that result in a bill being raised for the 250mm metered supply.	
Processing rules	Input field	
Reference	AR A3.63	

49	300mm	Nr
Full line title	300mm	
Definition	Number of billed unmeasured non-domestic properties being charged for a disposal pipe of 300mm, as at September of the reporting year. This should include only those meters that result in a bill being raised for the 300mm metered supply.	
Processing rules	Input field	
Reference	AR A3.64	

50	400mm	Nr
Full line title	400mm	
Definition	Number of billed unmeasured non-domestic properties being charged for a disposal pipe of 400mm, as at September of the reporting year.	
Processing rules	Input field	
Reference	AR A3.65	

51	450mm	Nr
Full line title	450mm	
Definition	Number of billed unmeasured non-domestic properties being charged for a disposal pipe of 450mm, as at September of the reporting year.	
Processing rules	Input field	
Reference	AR A3.66	

52	600mm	Nr
Full line title	600mm	
Definition	Number of billed unmeasured non-domestic properties being charged for a disposal pipe of 600mm, as at September of the reporting year.	
Processing rules	Input field	
Reference	AR A3.67	

53	Total	Nr
Full line title	Total	
Definition	Number of billed unmeasured non-domestic properties being charged for a meter for waste water disposal.	
Processing rules	Calculated field: Sum of lines 38 to 52.	
Reference	AR A3.68	

Block E Unmeasured non-Domestic Properties

55	Number of billed properties with a RV> £250k	Nr
Full line title	Number of billed properties with a RV> £250k	
Definition	Number of billed unmeasured non-domestic properties with a rateable value of greater than £250,000 per annum, as at September of the reporting year. This row excludes voids.	
Processing rules	Input field	
Reference	AR A3.69	

56	Number of billed properties with a RV=< £250k	Nr
Full line title	Number of billed properties with a RV=< £250k	
Definition	Number of billed unmeasured non-domestic properties with a rateable value of less than £250,000 per annum, as at September of the reporting year. This row excludes voids.	
Processing rules	Input field	
Reference	AR A3.70	

57	Number of billed properties in receipt of charitable relief	Nr
Full line title	Number of billed properties in receipt of charitable relief	
Definition	Total number of billed, unmeasured, non-domestic properties in receipt of charitable relief, as at September of the reporting year.	
Processing rules	Input field	
Reference	AR A3.70a	

58	Number of billed properties with other relief of charges	Nr
Full line title	Number of billed properties with other relief of charges	
Definition	Total number of billed, unmeasured, non-domestic properties with other relief of charges, as at September of the reporting year.	
Processing rules	Input field	
Reference	AR A3.71	

59	Number of billed properties with no charges	Nr
Full line title	Number of billed properties with no charges	
Definition	Total number of billed, unmeasured, non-domestic properties with no charges, as at September of the reporting year.	
Processing rules	Input field	
Reference	AR A3.72	

60	Total number of billed properties	000 (3dp)
Full line title	Total number of billed properties	
Definition	Number of billed unmeasured non-domestic properties, as at September of the reporting year. This row excludes voids.	
Processing rules	Calculated field: The sum of lines 55 to 59	
Reference	AR A3.73	

61	Number of billed properties with surface water only	Nr
Full line title	Number of billed properties with surface water only	
Definition	Total number of billed, unmeasured, non-domestic properties with surface water only, as at September of the reporting year.	
Processing rules	Input field	
Reference	AR A3.74	

62	Number of billed properties with no surface water drainage	Nr
Full line title	Number of billed properties with no surface water drainage	
Definition	Total number of billed, unmeasured, non-domestic properties with no surface water drainage.	
Processing rules	Input field	
Reference	AR A3.75	

63	Number of billed properties with roads drainage but no property drainage	Nr
Full line title	Number of billed properties with roads drainage but no property drainage	
Definition	Total number of billed, unmeasured, non-domestic properties with highway drainage, but no property drainage, as at September of the reporting year.	
Processing rules	Input field	
Reference	AR A3.75a	

64	Number of void properties	Nr
Full line title	Number of void properties	
Definition	Number of unmeasured non-domestic properties, within the supply area, which are connected to the distribution system but have not received a bill as they are unoccupied.	
Processing rules	Input field	
Reference	AR A3.76	

Block F Surface Water

66	Area subject to standard tariff	m ² (3dp)
Full line title	Area subject to standard tariff	
Definition	Total area of surface water drainage subject to standard tariffs, as at September of the reporting year.	
Processing rules	Input field	
Reference	AR A3.77	

67	Area subject to non-standard tariff	m ² (3dp)
Full line title	Area subject to non-standard tariff	
Definition	Total area of surface water drainage subject to non-standard tariffs, as at September of the reporting year.	
Processing rules	Input field	
Reference	AR A3.78	

68	Area not charged	m ² (3dp)
Full line title	Area not charged	
Definition	Total area of surface water drainage not charged, as at September of the reporting year.	
Processing rules	Input field	
Reference	AR A3.79	

69	Area - surface water only	m ² (3dp)
Full line title	Area - surface water only	
Definition	Total area of surface water drainage subject to no other tariffs, as at September of the reporting year.	
Processing rules	Input field	
Reference	AR A3.80	

Block G Summary – properties

71	Total connected billed properties	000 (3dp)
Full line title	Total connected billed properties	
Definition	Number of domestic and non-domestic properties billed for sewerage within the supply area as at September of the reporting year. This row excludes voids.	
Processing rules	Calculated field: the sum of lines 1, 17, 30 and 60	
Reference	New	

72	Total connected properties	000 (3dp)
Full line title		
Definition	Number of domestic and non-domestic properties billed for sewerage within the supply area as at September of the reporting year, including voids.	
Processing rules	Calculated field: the sum of lines 1, 14, 15, 17, 20, 30, 35, 60 and 64	
Reference	New	

73	Number of properties connected during the report year	000 (3dp)
Full line title	Number of properties connected during the report year	
Definition	The number of new domestic and non-domestic properties added or forecast during the report year.	
Processing rules	Input field	
Reference	New	

Block H Summary – population

76	Winter	000 (2dp)
Full line title	Winter population (sewerage service)	
Definition	<p>Population connected to the sewerage service excluding holiday and tourist population.</p> <p>The population should be obtained from the most recent ONS or local authority estimates, or the SW's update of these estimates.</p>	
Processing rules	Input field	
Reference	New	

77	Summer	000 (2dp)
Full line title	Summer population (sewerage service)	
Definition	<p>Population (winter) connected to the sewerage service, plus the holiday and tourist population (connected to sewerage) defined below.</p> <p>The holiday and tourist population can be obtained from the tourist board estimates of the number of bed spaces available for non-residents.</p> <p>Except where there is firm evidence to the contrary, SW should use a population based on a 2/3rds occupancy rate for the peak summer month.</p> <p>Note that the resultant figure will be additional to the resident population.</p> <p>Exclude any allowance for daily commuters</p>	
Processing rules	Input field	
Reference	New	

Block I Domestic - population

79	Population of unmeasured domestic properties	000 (2dp)
Full line title	Population of unmeasured domestic properties	
Definition	Population (winter) connected to the sewerage service, occupying unmeasured domestic properties.	
Processing rules	Input field	
Reference	New	

80	Population of measured domestic properties	000 (2dp)
Full line title	Population of measured domestic properties	
Definition	Population (winter) connected to the sewerage service, occupying measured domestic properties.	
Processing rules	Input field	
Reference	New	

81	Domestic population connected to the sewerage service	000 (2dp)
Full line title	Domestic population connected to the sewerage service	
Definition	Population (winter) connected to the sewerage service, occupying domestic properties.	
Processing rules	Calculated field: The sum of lines 79+80	
Reference	AR A3.83	

82	Assumed percentage returned to sewer	% (2dp)
Full line title	Assumed percentage returned to sewer	
Definition	Assumed percentage of delivered water that is returned to the sewerage system	
Processing rules	Input field	
Reference	AR A3.84	

Block J Rateable Value Base

83	RV for billed properties with use 100 to 250 MI/yr at standard tariff (Foul water)	£m (3dp)
Full line title	RV for billed properties with use 100 to 250 MI/yr at standard tariff (Foul water)	
Definition	Total gross rateable value for billed properties with a foul water service with disposal between 100 and 250 MI/year, charged on a standard tariff.	
Processing rules	Input field	
Reference	AR A3.85	

84	RV for billed properties with use <100 MI/yr at standard tariff (Foul water)	£m (3dp)
Full line title	RV for billed properties with use <100 MI/yr at standard tariff (Foul water)	
Definition	Total gross rateable value for billed properties with a foul water service with disposal less than 100 MI/year, charged on a standard tariff.	
Processing rules	Input field	
Reference	AR A3.86	

85	RV for billed properties with use > 250MI/yr at standard tariff (Foul water)	£m (3dp)
Full line title	RV for billed properties with use > 250MI/yr at standard tariff (Foul water)	
Definition	Total gross rateable value for billed properties with a foul water service with disposal greater than 250 MI/year, charged on a standard tariff.	
Processing rules	Input field	
Reference	AR A3.87	

86	RV for billed properties with use 100 to 250 MI/yr at non-standard tariff (Foul water)	£m (3dp)
Full line title	RV for billed properties with use 100 to 250 MI/yr at non-standard tariff (Foul water)	
Definition	Total gross rateable value for billed properties with a foul water service with disposal between 100 and 250 MI/year, charged on a non-standard tariff.	
Processing rules	Input field	
Reference	AR A3.88	

87	RV for billed properties with use <100 MI/yr at non-standard tariff (Foul water)	£m (3dp)
Full line title	RV for billed properties with use <100 MI/yr at non-standard tariff (Foul water)	
Definition	Total gross rateable value for billed properties with a foul water service with disposal less than 100 MI/year, charged on a non-standard tariff.	
Processing rules	Input field	
Reference	AR A3.89	

88	RV for billed properties with use >250 MI/yr at non-standard tariff (Foul water)	£m (3dp)
Full line title	RV for billed properties with use >250 MI/yr at non-standard tariff (Foul water)	
Definition	Total gross rateable value for billed properties with a foul water service with disposal greater than 250 MI/year, charged on a non-standard tariff.	
Processing rules	Input field	
Reference	AR A3.90	

89	RV for billed properties with use 100 to 250 MI/yr at standard tariff (Unmeasured property drainage)	£m (3dp)
Full line title	RV for billed properties with use 100 to 250 MI/yr at standard tariff (Unmeasured property drainage)	
Definition	Total gross rateable value for billed properties with unmeasured property drainage and with foul water disposal between 100 and 250 MI/year, charged on a standard tariff.	
Processing rules	Input field	
Reference	AR A3.91	

90	RV for billed properties with use <100 MI/yr at standard tariff (Unmeasured property drainage)	£m (3dp)
Full line title	RV for billed properties with use <100 MI/yr at standard tariff (Unmeasured property drainage)	
Definition	Total gross rateable value for billed properties with unmeasured property drainage and with foul water disposal less than 100 MI/year, charged on a standard tariff.	
Processing rules	Input field	
Reference	AR A3.92	

91	RV for billed properties with use > 250Ml/yr at standard tariff (Unmeasured property drainage)	£m (3dp)
Full line title	RV for billed properties with use > 250Ml/yr at standard tariff (Unmeasured property drainage)	
Definition	Total gross rateable value for billed properties with unmeasured property drainage and with foul water disposal greater than 250 Ml/year, charged on a standard tariff.	
Processing rules	Input field	
Reference	AR A3.93	

92	RV for billed properties with use 100 to 250 Ml/yr at non-standard tariff (Unmeasured property drainage)	£m (3dp)
Full line title	RV for billed properties with use 100 to 250 Ml/yr at non-standard tariff (Unmeasured property drainage)	
Definition	Total gross rateable value for billed properties with unmeasured property drainage and with foul water disposal between 100 and 250 ML/year, charged on a non-standard tariff.	
Processing rules	Input field	
Reference	AR A3.94	

93	RV for billed properties with use <100 MI/yr at non-standard tariff (Unmeasured property drainage)	£m (3dp)
Full line title	RV for billed properties with use <100 MI/yr at non-standard tariff (Unmeasured property drainage)	
Definition	Total gross rateable value for billed properties with unmeasured property drainage and with foul water disposal less than 100 MI/year, charged on a non-standard tariff.	
Processing rules	Input field	
Reference	AR A3.95	

94	RV for billed properties with use >250 MI/yr at non-standard tariff (Unmeasured property drainage)	£m (3dp)
Full line title	RV for billed properties with use >250 MI/yr at non-standard tariff (Unmeasured property drainage)	
Definition	Total gross rateable value for billed properties with unmeasured property drainage and with foul water disposal greater than 250 MI/year, charged on a non-standard tariff.	
Processing rules	Input field	
Reference	AR A3.96	

95	RV for billed properties with use 100 to 250 MI/yr at standard tariff (Unmeasured roads drainage)	£m (3dp)
Full line title	RV for billed properties with use 100 to 250 MI/yr at standard tariff (Unmeasured roads drainage)	
Definition	Total gross rateable value for billed properties with unmeasured roads drainage and with foul water disposal between 100 and 250 MI/year, charged on a standard tariff.	
Processing rules	Input field	
Reference	AR A3.97	

96	RV for billed properties with use <100 MI/yr at standard tariff (Unmeasured roads drainage)	£m (3dp)
Full line title	RV for billed properties with use <100 MI/yr at standard tariff (Unmeasured roads drainage)	
Definition	Total gross rateable value for billed properties with unmeasured roads drainage and with foul water disposal less than 100 MI/year, charged on a standard tariff.	
Processing rules	Input field	
Reference	AR A3.98
