April 2013

Dear Richard,

Osprey Water has changed its name

Following your conversation with Tony last week, I would take this opportunity to confirm the changes we have made to the branding of our Scotland retail arm. On 21 March 2013, Osprey Water Services Ltd (company number 03017251), part of the Anglian Water Group, changed its name to Anglian Water Business (National) Ltd, and will now be known as Anglian Water Business.

Our company number and registered office address has not changed. However, some of our contact details are changing, so you please update your records, including the Scotland on Tap website. You can call us on the same telephone number, and our registered office address has not changed. Emails should be sent to business@anglianwater.co.uk and our new website will be available from April at www.anglianwaterbusiness.co.uk.

This will allow us to use the same Anglian Water Business brand that we use across the East Anglian region. The change of name is the final step in bringing together our Scottish and English business retail arms, which have been working closely together for some time.

Tony and I look forward to meeting you at Melville Street on 23 April. If you have any questions about this change in the meantime, please do not hesitate to contact me or Tony.

Kind regards,

Bob Wilson
Director of Anglian Water Business
